Imagine and Achieve

Turn bright ideas into unprecedented opportunities for your technology company — from start-up to succession.

Move strategically through every phase of your technology company’s lifecycle.

Rise above fierce competition in the technology industry with help from professionals who strive to know you, your business, and your dreams — from the very beginning all the way to the ultimate goal.
Go from “concept” to “company” with planning and precision.

- Entity formation
- Seed capital sourcing
- Valuation and fundraising
- Cap table management

Take your idea to market while leaving back-office functions to us.

- Outsourced CFOs and controllers
- Income tax compliance
- Compensation strategies
- Cash flow management
- Bookkeeping and payroll

Glide through growth, even at break-neck speed, with ease.

- Benefit plan structuring
- Financial statement audit, preparation, and review
- Global expansion strategies
- Federal, state and local, and international tax planning

Build value into your business, then leave it on your terms.

- Transaction support
- Deal management
- M&A consulting
- Wealth advisory

CLAconnect.com
Create Opportunities
This may be your first start-up, but it’s not ours. CLA understands entrepreneurs because we are entrepreneurs.

Many of our people have built, operated, and sold technology companies and come from a variety of technical backgrounds in the industry.

We work with hundreds of fast-growth and mature technology companies in all sectors.

- Software and applications
- SaaS
- Clean technology
- Renewable energy
Doing business wherever you do, both at home and abroad

CLA exists to create opportunities — for our clients, our people, and our communities.

Create Opportunities with CLA. Learn more.
