A young woman with dark hair, wearing a grey jacket, is looking at the whiteboard. The whiteboard is covered with numerous yellow sticky notes. In the background, other students are visible, some looking at the whiteboard and others looking towards the camera. The overall atmosphere is one of collaborative learning.

A million reasons to celebrate

We're happy to report that 2019 was a record year for the CLA Foundation. For the first time, we raised and granted more than \$1 million.

The best part? None of us were surprised. It was never a question of whether we'd reach this milestone; it was only a matter of when. To have surpassed this goal after only four years of operation is a testament to the commitment of our CLA family and our promise to "know and help" our communities.

We all know it took work to get to this point. But it's been the best kind of work. And the result is clear: Together, we have created a culture focused on giving back.

As you'll see in the coming pages, we have much to celebrate. This report is a snapshot of the good work we have supported, and how CLA, as a family, has helped to make it all happen.

Thank you for an amazing year, and for living our shared mission of creating opportunities each and every day.

With gratitude,

Steve Rosa

It all starts with your nominations.

Thanks to all of the CLA employees who nominated an organization for a grant in 2019.

We know you were more engaged in the process than ever before because [we saw a 13% increase in nominations](#) received over 2018. The increased nominations, combined with our increased fundraising, allowed us to fund even more organizations — which included two strategic investment grants.

*Your voices, your words,
your impact*

Sometimes just seeing a list, no matter how remarkable it is, doesn't show the true impact we can have. That's why we invited a few family members to share what the **CLA Foundation means to them.**

CEO & DONOR**Denny Schleper**
CLA Tampa

Seeing the CLA Foundation grow in so many ways over the past four years has definitely been something special. I remember some of the very early conversations about starting a foundation. We all knew it was important and something we wanted to do; however, there were many unanswered questions. We decided not to wait for every answer, and we proceeded with the direction of the Foundation with the faith that only great results would follow. Today, four years later, we can look back and see that great things have happened. We built our Foundation in our CLA way to be a reflection of our values — promising to know and help the communities we care about.

RETIREE**Rick Nilson**
CLA St. Cloud

When I retired from CLA in 2018, finding ways to stay connected to the firm was important to me. One way I have been able to do that is through the CLA Foundation. Giving back and supporting the many organizations doing good work in our communities is something that has always been important to my wife, Lori, and me. I am so proud of the firm for starting a Foundation and inviting us all to be part of it. To have raised and granted more than \$1 million in 2019 is extraordinary and a reflection on the wonderful, generous people in the CLA family — a family I'll always be honored to be part of.

**COMMITTEE MEMBER****Ro Swails**
CLA Indianapolis

I have served on the grant committee since the inception of the CLA Foundation in 2015. I have learned so much about what the CLA family is passionate about and nonprofit organizations. I remember the announcement for forming the CLA Foundation and how excited I was that we would be giving back to our communities. I signed up as soon as it was possible in order to participate in the opportunity. I love that the CLA family members nominate and donate in such a tangible way to our communities. Our collective effort is making a difference, and I hope more people consider serving on a committee this year.

OFFICE CHAMPION**Debbie Harvey**
CLA Tucson

I have been involved with the CLA Foundation in a few ways over the years as a nominator, grant reviewer, and most recently, the office champion for our Tucson office. Our office is one of the smaller CLA offices, but that hasn't stopped us from aiming high with our participation. We have had so much fun finding ways to make the CLA Foundation part of our office culture of giving back and focusing on the community. It was exciting to work together and be part of Giving Day history.

MANAGING PRINCIPAL OF OFFICE**Kyle Williamson**
CLA Naples

2019 was a growth year for the CLA Foundation, and for our Naples and Ft. Myers offices. Together, we committed to growing our involvement in the CLA Foundation. I shared my plan to support the CLA foundation, while encouraging my teams to join me by nominating organizations, volunteering as grant reviewers, serving as HOT office champion or on a committee, and of course, contributing financially however they could. The team stepped up to the plate, and in total, we saw 81% engagement – a 450% increase over 2018. I am so proud of the Southwest Florida family for supporting this important work, and I am looking forward to all we'll continue to accomplish together in the coming years.

WAYS TO ENGAGE

Apply to engage with the CLA Foundation by volunteering as a grant reviewer, a committee member, or an office champion. We had 229 volunteers in 2019, dedicating more than 2,000 hours.

Any organization that receives a CLA Foundation grant must be nominated by a CLA employee. In fact, we do not accept any outside nominations. We received 365 unique nominations in 2019.

Financial contributions to the CLA Foundation ensure we can continue to support the organizations we care about and that match our mission of “creating career opportunities through education, employment, and entrepreneurship.”

Cristina Wiebelt-Smith
St. Joseph, MO

After four years of outstanding service, Brian D'Orazio is rotating off the CLA Foundation board of directors. Brian was one of the founding board members, and his dedication and high standard for excellence ensured the CLA Foundation's finance and legal work were always in good standing. We appreciate all his contributions.
